**EXPLANATORY BRIEF AND JOINT
MOTION FOR SETTLEMENT
HEARING AND ADOPTION OF
SETTLEMENT AGREEMENT**

The South Carolina Office of Regulatory Staff ("ORS") and United Utility Companies, Inc. ("UUC" or "the Company") (collectively "the Parties") pursuant to 26 S.C. Code Ann. Regs. 103-840, the Settlement Policies and Procedures established by the Public Service Commission of South Carolina ("the Commission"), revised June 13, 2006, and other applicable statutes, rules and regulations, hereby file this Explanatory Brief and Joint Motion to establish a settlement hearing in the above-captioned proceeding and for approval of the settlement agreement filed herewith. In support of this Joint Motion, the Parties state as follows:

1. On or about April 10, 2006, UUC filed an Application seeking an adjustment of its rates and charges and modifications to certain terms and conditions set out in its rate schedule for the provision of its water and sewer service. By its application, the Company sought an increase in annual water and sewer revenues of \$273,070. Pursuant to S.C. Code Ann. Section 58-4-10(B), ORS is a party of record in this proceeding.

2. ORS has conducted extensive discovery in this matter, propounding numerous data requests to UUC. Additionally, ORS has conducted both a financial and business

compliance audit of UUC and in connection therewith has propounded to UUC numerous informal audit requests. UUC has supplied to ORS certain information and documentation in the course of such discovery and audits. The parties have prefiled direct, rebuttal and surrebuttal testimony in accordance with the schedule established by the Commission in this proceeding.

3. Following extensive discussions concerning the issues in the above-captioned proceeding, UUC has determined that its interests, and ORS has determined that the public interest, would best be served by stipulating to a comprehensive settlement of all issues pending between them in the above-captioned proceeding. The agreement detailing the terms and conditions of the settlement is provided herewith as Attachment "A". The proposed witnesses to be presented to support the settlement are Converse C. Chellis, III, CPA, and B.R. Skelton, PhD. The basis and rationale for the settlement is set forth in the proposed settlement testimonies of these witnesses, copies of which are attached as Exhibit "E" and "F", respectively, to Attachment "A". If the Parties' settlement agreement is approved, the Company would receive an increase in annual revenues of \$92,631, based upon a stipulated return on equity of 9.40%, a return on rate base of 7.64%, with a resultant operating margin of 7.69%. The proposed resulting rate schedule is reflected in Exhibit "G" to Attachment "A".

4. Currently, the hearing in this matter is scheduled for August 28, 2006. The Parties jointly move the Commission to commence the hearing as scheduled on August 28, 2006, to permit any public witnesses an opportunity to testify and allow the parties to publish a summary of the proposed settlement. The Parties further jointly move that a hearing on the merits of the proposed settlement, if deemed necessary by the Commission, be scheduled at a later date.

5. The Parties submit that the settlement agreement produces rates that are just and reasonable and move its approval as being in the public interest.

WHEREFORE, having fully set forth their Explanatory Brief and Joint Motion, the Parties request that the Commission 1) permit the Parties to publish a summary of the settlement agreement on August 28, 2006, at the conclusion of any public witness testimony in the instant case, 2) that the Commission schedule a hearing on a future date for the purpose of accepting testimony and evidence supporting the Parties' settlement agreement should the Commission deem it necessary, and 3) issue an order approving the Parties' settlement agreement as just, fair and reasonable.
